## Annual Report

This quarter, we feature our [2019-2020 annual report](#). With the help of technology and by working collaboratively, we were able to be productive despite the impact of Covid-19. Among the highlights of the year were the commemoration of the centennial of woman suffrage, an innovative study of transportation along the Trail of Tears, new preservation and interpretation plans for African American resources in the state and region, and assistance to historic and cultural sites in rural Tennessee counties.

We welcome your comments and questions.
